## Looking Ahead to 2024

We are overwhelmed by how amazing this first year of the Accounting Cornerstone Foundation has gone! For this coming year, we are excited to be sending 3 people to each of the following conferences with an average cost of \$2,000 per person:

- Scaling New Heights
- NAEA Tax Summit
- XeroCon
- QuickBooks Connect

## WHO WE ARE

Born from a 'what if' sticky note at Appy Camp, the Accounting Cornerstone Foundation has become a reality with only one goal in mind: to share the opportunity to attend continuing education conferences and support the growth of accounting and bookkeeping professionals around the globe.

★★★★★  
I am so grateful to be here at Scaling New Heights. I am getting clarity on where I want my business to go in the future. I've made great connections. I've learned how to network, which I didn't know how to do before as a solopreneur. So I'm going to be forever grateful to the committee for choosing me for this opportunity!
