Looking Ahead to 2026

We have had three strong years of sending first time attendees to conferences! For this coming year, we are excited to be intentional and send 3 people to each of the following conferences with an average cost of \$2,500 per person:

- Scaling New Heights
- NAEA
- XeroCon

WHO WE ARE

Born from a 'what if' sticky note at Appy Camp, the Accounting Cornerstone Foundation has become a reality with only one goal in mind: to share the opportunity to attend continuing education conferences and support the growth of accounting and bookkeeping professionals around the globe.

A BIG thank you to our donors for supporting our mission!
